

GENERAL INFORMATION

BIOFORCE™ is a combination of micronutrients and natural plant extracts formulated for soil or foliar application. BIOFORCE™ is compatible with most insecticides, fungicides, herbicides and fertilizers, so it can be used in combinations in foliar applications. BIOFORCE™ is not phytotoxic at the recommended rates. When using BIOFORCE™ with other products do a jar test before mixing to ensure compatibility.

Refer to the lot number found on this container for identification.

Directions for Use

BIOFORCE™ can be used on any crop. It can be foliar applied, mixed with enough water to obtain thorough foliar coverage. For fertilizer rates suitable to your geographical area or the maximum allowable non-nutrient application rates per acre, consult a trained soil specialist/Certified Crop Advisor or contact NUTECH, 5415 Lake Howell Rd. Suite 177, Winter Park, Florida 32792

NOTICE

The statements made on this label are believed to be true and accurate, but because of conditions of use which are beyond our control, NUTECH does not make, nor does it authorize any agent or representative to make any warranty, guarantee or representation, expressed or implied, concerning this material or the use thereof. Neither NUTECH nor the seller shall be held responsible in any manner for any personal injury or property damage or loss resulting to the buyer or the other persons from handling, storage or use of this material, not in accordance with the directions. The buyer assumes all risk and liability resulting from improper handling, storage or use and accepts and uses this material on these conditions.

Warning

This product contains Boron and the use on any crops other than those recommended on this label may result in injury to the crop.

PRECAUTIONS

Keep Out of the Reach of Children. Harmful if swallowed. Avoid contact with eyes, skin and clothing. In case of contact, immediately flush skin or eyes with water for at least 15 minutes.
